PROJECTS

We at Classic Vinyl Fencing have been providing the finest of vinyl fencing to the Fraser Valley for the past 20 years, and we're one of the first to introduce vinyl fencing to the marketplace in B.C.

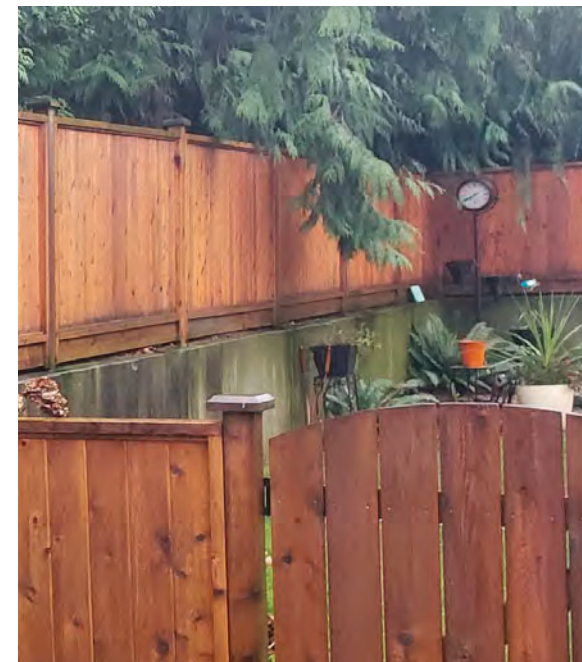

Working closely with a local fabricator allows us to have the advantage over our competition of doing unique or custom applications.

Our team is proud to offer a combined 50 years of vinyl fencing experience, making us the leader in the industry, dealing with various situations and difficult installations. I assure you, that your expectation of personal, quality service will be met. I also work closely with my employees doing the installation, with hands on supervision.

Be assured that you will make a good decision in purchasing product from Classic Vinyl Fencing. Our USA made product comes with a 50 year warranty, one of the best warranties in the industry. We are committed to providing our customers not only with the highest quality product, but also with suburb installations. We are fully insured and also have WCB coverage.

Let Classic Vinyl Fencing put their 50 years of knowledge and experience to work for you. I would like to express my sincere appreciation for allowing Classic Vinyl Fencing the opportunity of serving you and I personally give you my promise of satisfaction guaranteed.
